

FIT MODIFICATION FOR CUSTOM EARSETS OR EARPLUGS

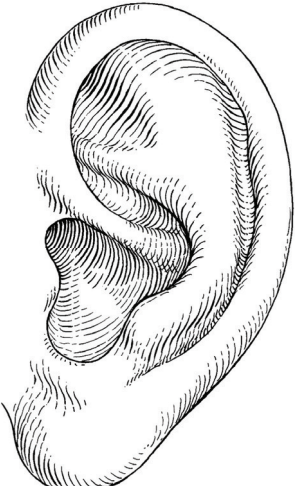

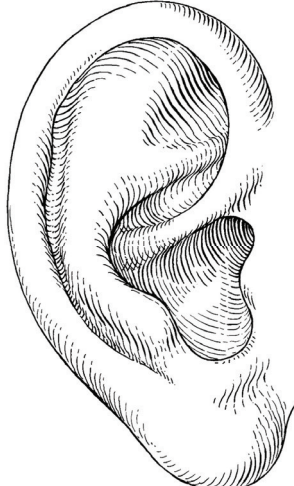

In order to achieve adequate hearing protection, it is important that your custom earplugs or earsets fit snugly in each ear. If your custom product doesn't seal your ear or is uncomfortable to use, we'll remake it at no charge (as long as you return this form and your product within 90 days). Please follow these three easy steps for your Fit Guarantee.

STEP 1: TELL US WHO YOU ARE

Name:		Date:	
Address:		Phone / Email:	

STEP 2: DESCRIBE THE PROBLEM – Describe any fit issues, and mark problem areas on diagrams with an “X”

LEFT EARPLUG / EARPIECE	RIGHT EARPLUG / EARPIECE
<input type="checkbox"/> Too tight / painful <input type="checkbox"/> Too loose / poor seal <input type="checkbox"/> Other (explain):	<input type="checkbox"/> Too tight / painful <input type="checkbox"/> Too loose / poor seal <input type="checkbox"/> Other (explain):
 <p>mark any problem areas with an “X”</p>	 <p>mark any problem areas with an “X”</p>

STEP 3: SEND THIS FORM WITH YOUR PRODUCT – please use a secure, crushproof container
